 H.no # 118 Sec 11-D, Orangi Town, Karachi

EDUCATION

Bachelor in Software Engineering (Undergraduate)

SMI University
(2025 - 2029)

Intermediate

City College
(2024 - 2025)

Matriculation

Fatima Ali School
(2020 - 2023)

SKILLS

- C#
- C++
- Agentic AI
- Python
- Next.js/React.js
- Javascript, Typescript
- Tailwind CSS
- HTML, CSS
- SQL

LANGUAGE

- English
- Urdu

PROFILE

A motivated Computer Science student currently in 2nd semester with a strong interest in software development and modern web technologies. Experienced in building academic and personal projects using Python and Next.js. Passionate about learning new skills, solving problems, and improving coding abilities. Currently seeking an internship opportunity to gain practical industry experience and contribute to real-world projects while enhancing technical and teamwork skills.

PROJECTS

Personal Library Manager (Python)

- Developed a console-based Personal Library Management System using Python.
- Implemented features to add, update, delete, and search books efficiently.
- Used file handling / data storage to save and retrieve library records.
- Applied basic OOP concepts to organize code into reusable functions and classes.
- Designed a simple user-friendly menu-driven interface for easy navigation.

E-Commerce Website (Next.js & Tailwind CSS)

- Developed a responsive E-commerce website using Next.js for frontend development.
- Designed modern and mobile-friendly UI using Tailwind CSS.
- Implemented product listing, product detail pages, and basic cart functionality.
- Focused on performance optimization and clean component-based architecture.
- Ensured responsive design across mobile, tablet, and desktop devices.
